

PROCLAMATION
THE JEWISH CENTER OF PRINCETON

Whereas, the Jewish Center's website is an essential medium to convey our purpose, programs, and personality; and

Whereas, Bob Weber is truly a maven of website design and management, long time member, past president, and all around great guy; and

Whereas, The Jewish Center greatly appreciates Bob's company, Weblications, hosting and providing website services to the Jewish Center:

Now therefore, I, Michael Feldstein, President of The Jewish Center of Princeton, do hereby proclaim and declare our gratitude as broad as the world wide web.

And I do further proclaim, that the 4th day of Adar-II 5768 equating to the 11th day of March 2008, coinciding with the day in 1999 when Al Gore infamously claimed responsibility for inventing the internet shall be known as Bob Weber day at The Jewish Center of Princeton.

In testimony whereof, I have hereunto set my hand and caused the seal of The Jewish Center of Princeton to be affixed. Done at the town of Princeton, this 8th day of Kislev, 5768; this 18th day of November 2007; the sixty-first year of The Jewish Center of Princeton.

Michael Feldstein
