

SUKKOT ACROSS THE JEWISH CENTER

Sunday afternoon or evening, October 19th

Do you build a sukkah at your home for the holiday?

Would you like to host a small gathering with other Jewish Center families in your sukkah?

It is a mitzvah to invite guests (*ushpizin*) into your sukkah during the holiday.

Serve a meal or a snack anytime on Sunday, October 19th and celebrate the holiday with other Jewish Center families.

The home is a great place to celebrate our holidays. Help us build a sense of community and share the enjoyment of bringing the holiday rituals into your home.

Contact the synagogue office if you'd like information on purchasing a sukkah or go to www.sukkot.com.

If you are interested in hosting a gathering in your sukkah, please contact Helaine Isaacs at 609-921-9064 or hh.isaacs@verizon.net.
